

## KICC 2020 E-Poster Guidelines

1. All accepted abstracts are eligible for poster presentation (e-poster). Please note the Deadline for receipt of your FINAL poster is **6<sup>th</sup> November 2020**.
2. Approved abstract authors can display their posters at the designated page on the conference platform from 20<sup>th</sup> November 2020 to 22<sup>nd</sup> November 2020.
3. We strongly recommend you use our KICC 2020 poster template, it can be downloaded as a PDF on our website [www.kesho-kenya.org](http://www.kesho-kenya.org).
4. Posters must be designed and presented VERTICALLY on ONE page. Posters designed horizontally will not be accepted or will be disqualified.
5. Please incorporate KESHO, KEHPCA and ONC logo as per template provided.
6. The poster should contain the title of the corresponding paper, the authors, institution and the institution's location.
7. Avoid colour combinations, fonts and font sizes which are difficult to read. We recommend Arial Font, Size 11.
8. The aims of the study, the question to be asked or the hypothesis to be tested should be clearly and succinctly stated (in as few words as possible).
9. Briefly outline your methods. Provide details only for new methods or important modifications of older ones.
10. The conclusions should be succinctly stated in large type. Many attendees read this first, hence it should be easy to understand.
11. Investigators are also required to send an e-poster to the secretariat upon acceptance for uploading on to our platform.
12. QR (Quick Response) and/or AR (Augmented Reality) and text key codes are allowed in the poster, however, although KESHO accepts that these may go to a commercial/branded website, we suggest avoiding links to websites containing blatant product advertising. If you intend adding a QR or a text key code to your poster, please add the following disclaimer notice: "*Copies of this poster obtained through QR (Quick Response) and/or text key codes are for personal use only and may not be reproduced without written permission of the authors.*"
13. If the study has received funding, this must also be acknowledged on your poster, "Study sponsored by..."
14. At the bottom of the poster, please include your and/or the corresponding author email address. This will prove especially useful if another conference participant wishes to contact you about your work.
